

AudioPlus Quick Start Instructions

1. Log into your RFB&D online account.
2. Search our book catalog and order the AudioPlus DL version of the book you wish to download.
3. Once you receive the e-mail that your book is available, log back into your online account and click on My Downloads.
4. On the My Downloads page, you will see a link to install the RFB&D *Download Manager*. Please click this link and install the program.
5. After the *Download Manager* has been installed, you need to click the link that says "DOWNLOAD" next to your book.
6. Click the OPEN button and the *Download Manager* should automatically open and begin to download your book.
7. Your book has been successfully downloaded when the *Download Manager* is completely empty of any files In Progress.
8. Once the book has been downloaded, you then can exit the *Download Manager*.
9. You can locate your RFB&D books in the My Documents folder under RFB&D Media Files.
