**This Resource Event is for you!** Join us for an exciting evening of learning about what works and what's available for children with learning disabilities. Experience life as a child with a learning disability at our simulation center. Also:

- Visit with over 20 exhibitors from local organizations and resources.
- See demonstrations on assistive technologies and other accommodations.
- Talk to parents who have "been there" at our Parents Booth.
- Enjoy over 60 new and recent books and titles at the Book Fair, hosted by Resource Librarian Judy Bower of Parents Helping Parents.
- Hear from students themselves who are living successfully with their learning disability.

**Highlights and Schedule include:**

- **5:30 pm to 6 pm** Keynote by Carol Zepecki, Ed.D., Director of Student Services, Palo Alto Unified School District discussing how best to navigate the child's school to identify, accommodate, and remediate learning disabilities.
- **6 pm to 6:30 pm** A Student Panel of middle, high school, and college students sharing their experiences and success stories.
- **6:45 pm to 8:30 pm** Learning Disabilities Simulation Event led by Steven Corelis, M.Ed., CET, provides hands on simulations designed to increase awareness of the difficulties and frustrations experienced by children (space is limited to 50).

**Fee: \$25 admission. Scholarships available. Refreshments and snacks included.**

**Online registration at: [www.parentsplaceonline.org](http://www.parentsplaceonline.org). Space is limited.**
