Keep Learning Through Listening® All Summer Long!

Research has shown that students can lose one to three months of learning over the summer break. Incorporating reading for fun into summer vacation will help to maintain the academic skills and knowledge students worked so hard to achieve throughout the past school year. With the end of the school year quickly approaching, RFB&D wants to remind you or your students that summer is the perfect time to discover the joy of reading for pleasure. It's the best time to read a new audiobook and discover a new favorite.

In this flyer, RFB&D has compiled some of our favorite audiobooks this year. We have today's leading titles for all ages: from young readers, pre-teens to adults. You can order titles of recent national awards and honors winners, classics and popular favorites, learning about our world selection, study skills and more.

If you want more choices, browse our complete library catalog at www.rfbd.org and click on the **Book Catalog** or call us at **1-800-221-4792**.
